

MEMORANDUM FOR: DEPUTY FOR POLICY COORDINATION, SE

SUBJECT: Daily Progress Report for Tuesday, 11 March 1952

1. BOFIEND. [ ] and [ ] are in London for a series of talks with S.I.S. on FIEND/ VALUABLE. A divergence of views has developed on several issues since the Rome October 1951 meeting and these discussions are being held to settle these differences and to determine a basis for continuing the sound relationship between the two services in respect to Albania.

The mechanism to move four supporters of King Zog from Egypt to Greece has been set in motion. The group is travelling overtly to France, where they will be met by a representative of the BOFIEND German station prior to their covert air movement from Munich to Greece. Upon their arrival, the group will be trained and briefed for their penetration mission into Albania.

2. BOCONVOY. Indications have been received that we shall be forced to suspend test operation to determine the resistance assets within Bulgaria held by Dr. G. M. Dimitrov. It appears that Dr. G. M. Dimitrov's recent actions in Europe are not in harmony with the condition under which such an operation could be undertaken; namely that Dr. Dimitrov abstain from interference in the operational details.

3. OKEROIL. No report.

4. JBEDICT. No report.
